Part I

The introduction of Chinese Equestrian Association

The introduction of Chinese Equestrian Association

- Chinese Equestrian Association was founded in 1979.
- Chinese Equestrian Association is the highest authority management institutions to guide the national sports items related to the horse.
- It's the only national equestrian and horse related sports association Chinese government admits. Chinese Equestrian Association, headquartered in Beijing, is the highest equestrian management institutions in China.

The introduction of Chinese Equestrian Association

- Chinese official highest-level organization of equestrian and horseback sports.
- Association headquarters is located in Beijing.
- There are seven project branches in Chinese Equestrian Association: show jumping, dressage, three-day event, barrel racing, endurance, Polo, and horse racing.

The introduction of Chinese Equestrian Association

- Chinese Equestrian Association instituted committees of referee, rider, equipment, horse, marketing and news propaganda and so on.
- Horse racing is one of the branch of Chinese Equestrian Association, which is mainly determined by the current sports management system of China.

The introduction of Chinese Equestrian Association

Mr. Xiao Tian

**Vice Minister of General Administration of Sport of China
Vice Chairman of Chinese Olympic Committee
Chairman of Chinese Equestrian Association**

The sport of equestrian will play a very important role in the transformation of the mode of sport development in China, as well as the optimizing of structure of Chinese sports. In the near future, it will certainly become a newly and strongly developing industry in Chinese sports industry.

The introduction of Chinese Equestrian Association
